Dear Jack

2008-2009 Volvo Ocean Race – Exceptions to RRS

After consulting the Chairman of the Racing Rules Committee I can confirm to you that the International Sailing Federation has allowed the organizing authority of the 2008-2009 Volvo Ocean Race to change in Rule 18 the definition of the two boat length zone to three boat lengths, as per RRS 86.2.

The International Sailing Federation has also allowed the organizing authority of the 2008-2009 Volvo Ocean Race to delete RRS 16.2 and RRS 17.2 as per RRS 86.2.

These changes apply to the In Port Races of the 2008-2009 Volvo Ocean Race

As per RRS 86.2 this authorisation should be stated in the NoR, SIs and posted on the event's official notice board.

Please do not hesitate to contact me should you require any further information regarding this subject.

Yours sincerely,

Alastair Fox
Events Manager
